

FFR Training & Demonstration Schedule*

Join us throughout the weekend for discussion sessions, demonstrations, and training courses. Classes with a @ symbol require each participant to pre-register before the event through the Google Form link on this flyer. Classes with a \$ symbol require payment upon arrival at the class.

Saturday

9:00 AM

Backpacking Tips & Tricks (Gazebo)

Are you interested in backpacking for a weekend, week-long trip, or just want to check out some cool gear? Stop by for a presentation on how to make backpacking a success and then ask questions and share stories. This session is for more than just the units heading to Philmont.

9:00 AM

Service Dog Etiquette (Council Ring)

Ever seen a service dog in action? Or wondered how to act around them? What is involved in becoming a service dog? Or why people need service dogs? Come get your questions answered and learn the etiquette involved around service animals.

10:00 AM - 12:00 PM

Youth Protection Training (Council Ring) @

Youth Protection Training is so important we are offering it twice this weekend. This two hours course will get you signed off on your bi-annual training requirement. Open for youth age 17 and adults. If you are from outside the Greater St. Louis Area Council, please bring your BSA Membership ID Number with you so we can properly report your completion.

11:00 AM

Camp Cooking Demonstration (Gazebo)

Want to sample some food before lunch? Come learn some tricks for camp cooking in unique ways, and get recipes to try with your own unit.

1:00 PM

Social Media and Fundraising for Crews and Ships (Gazebo)

Are you looking for fundraiser ideas that work for Venturing Crews & Sea Scout Ships? Do you want to share some of your fundraising successes? Stop by during this hour to learn about how raising funds can help make summer plans more affordable.

1:00 PM

Lock Picking (Gazebo Lawn)

Ever lose the key to your gym locker? Want to learn the skills involved in picking locks as a future talent to show off around the campfire? Come learn basic lock picking skills.

1:00 PM - 3:30 PM
