Programs

Fall Fun Rally is a unique event. Many such programs would be put on by a collection of staff. But one of the most unique parts of Fall Fun Rally is that literally hundreds of people work together to put on the Fall Fun Rally, each taking a small part. This makes for an entirely diverse collection of events.

Most events on Saturday are centered around the Camp May Scoutcraft field. These events are largely organized by the Greater Saint Louis Area Council Venturing and Sea Scout Officers' Association, as well as some other VOAs from other Councils. Each event is planned and executed by volunteers: youth and adults from the different Crews, Ships, Posts who give part of their day to make amazing programs for all of us. The VSOA also coordinates bringing in multiple other displays, activities, and programs throughout the day put on by different people outside of Scouting. Finally, a great number of volunteers step forward to run different programs including Shooting Sports, Climbing Tower, Mountain Man Village, and STEM Area.

Most events are 'walk up and do' events with no advanced prep required. Competitions are grouped together in this program as they will require some preparation. Be sure to check out the trainings and presentations packet available at the website (www.fallfunrally.org) for other shorter programs running throughout the day.

Programs, unless noted, are open to both youth and adult participants.

With all these events, information is constantly changing about the event. As such, this booklet is current as of the date published, but will likely change prior to the event. Please continue to check for updates via the Fall Fun Rally newsletter, the website (www.fallfunrally.org), or our page <https://www.facebook.com/FallFunRally>

This year, Fall Fun Rally, promises to be an outstanding and fun filled event! (It's even in the name!) We will have different STEM areas, Sports activities, Music, and much more! Many people have worked tirelessly to plan and eventually, put on this event. We hope you enjoy!

Dutch Oven Cookoff

This FFR Classic is back. Teams may consist of up to 4 people, and be youth, adults, or a combination. Your team must bring your own equipment, charcoal, and food ingredients to cook your unit's best recipe. Points for taste, presentation, and uniqueness. Judge's portion must be presented by 11:45am. All items must be cooked from scratch on property.

Examples: Don't just reheat chili that you made at home. Using a dry cake mix box, or pre-cooked sausages, etc. that then are combined and cooked on property are fine.

Fall Fun Rally's Got Talent

You and or your group can showcase any form of talent (scout appropriate). You may be good enough to make it as one of our top talent groups showing your stuff in front of all Fall Fun Rally participants on Saturday Night.

You may participate as an individual or as a team. There is no limit as to the number of entries per post or crew. Each group may have one adult in a supporting role of the youth who will be the main performers.

Preliminary judging will be at 1:15 PM on Saturday on the stage in the Parade field. Please sign up on Friday night at the elections or at registration on Saturday.

Five or less acts will advance to the finals. The show committee will choose the top acts from all participants.

Check back in on Saturday by 5PM to see if your team made it to the finals. Judging of the winner of will be done by the crowd and judges at the awards and slideshow on Saturday Night.

Each act is limited to 4 total minutes. This time limit includes any needed set up time your act may require. If recorded music is to be used, it must be on CD format, or readily available on streaming services like Spotify.

NO PROFANITY OR GRAPHIC LANGUAGE OR INAPPROPRIATE DRESS CAN BE USED IN ANY TALENT ACT. INAPPROPRIATE BEHAVIOR WILL BE AT THE DISCRETION OF THE STAFF. REMEMBER THAT THIS IS A SCOUTING EVENT!

Photo Contest

Capture the party throughout the day and share it with the rest of us. Turn in your photo at the registration desk from 4-4:30 on Saturday to enter your photo. Turn in one or turn in a bunch of your photos and include them in the photo slideshow for the evening show.

Sip 'n Sync

There will be an awesome lip sync competition at lunch time at the Fall Fun Rally. Get a group together and pick your song you'd like to perform. For the finals, we'll assign your song for you. Youth/Adult teams are acceptable, as long as there is a majority of youth on the team for competitive teams. Songs must be considered 'Scout Appropriate', as must the actions accompanying the songs. Scout Appropriate means no bad language of any type, nor anything vulgar or lewd. Teams may select a portion of a song, instead of the full song (in fact this may be preferable, as it may highlight the best part of the act), but each lip sync must be at least one minute (preferably less than three minutes also).

Table Top Presentation

Tabletop presentations have become a part of the Venturing Program, required for many part of the advancement program. We'll do the displays on the porch of the Emerson Center Dining Hall. In conjunction with the theme for the Rally, we will be awarding prizes in multiple categories:

- The adventure of your unit: What does your unit do that is amazing?'
- Your personal Adventure: What have you learned, what projects have you completed. This would include presentations for requirements for the Ranger Award or other recognitions.
- The adventure of the Fall Fun Rally: Between your unit, put together a display showcasing Fall Fun Rally for you.
- Presentation for any of the awards that have tabletop awards as an option.

Presentations will be judged on their content and presentation. Presentations will need to be in place by 10 AM on Saturday morning (can be up Friday night), and can remain up through Saturday Night.
